Press Release

FOR IMMEDIATE RELEASE

Just Confirmed OUR LADY PEACE to play at Rogers Bayfest

OUR LADY PEACE has just been confirmed as the special guest of the STONE TEMPLE PILOTS playing July 11 at Rogers Bayfest.

“The best part about having OLP coming as a special guest to this years Bayfest is that our ticket prices will not going up and your getting double the show,” says Michele Stokley, executive director of Rogers Bayfest.

Known as a Canadian alternative rock band OLP has won four Juno Awards, and ten Much Music Video Award – the most MMVAs ever awarded to any artist or group.

“This year we have tried something a little different,” says Stokley. “We have book an all Canadian special guest line-up for our big international acts. We are giving our fans a world class performance made-up of chart-topping Canadian artists.”

It will be the second time OLP has hit the Rogers Bayfest stage, their first was back in 2002 when they shared the stage with The Tragically Hip, Sloan, The Guess Who, and Nickelback. This year OLP will be on the same stage as KISS, COUNTING CROWS, STONE TEMPLE PILOTS and The Trews.

OUR LADY PEACE seventh studio release, titled Burn Burn, is currently in production, and is nearing completion; the album will be OLP’s first release since 2005.
